**Subject:** RE: Rolling Knolls Revised Draft Feasibility Study Report

I was able to download the files.

Thanks.

Hi, I hope you were able to access the documents from the link I sent this morning. Please let me know if you are having any problems. I also wanted to let you know that contrary to what I said on one of recent progress calls, we will not be receiving a redline/strikeout version of the text. Thanks!

Grace,  
I haven't been able to make the link work. Did you?  
Amy

**Subject:** [Non-DoD Source] FW: Rolling Knolls Revised Draft Feasibility Study Report

Hello Rolling Knolls Reviewers, Please use the link below to access the revised FS and Responses to EPA Comments. In order to stay on schedule for a Proposed Plan and Record of Decision this fiscal year, please review the revisions and check to see if your comments were adequately addressed within three weeks or by June 6<sup>th</sup>. If you have any problems accessing the documents from the link below, please let me know. Thank you for your assistance, Betsy

**Subject:** Rolling Knolls Revised Draft Feasibility Study Report

The revised draft Feasibility Study Report for the Rolling Knolls Landfill is available at this link: <https://www.dropbox.com/sh/rlejb9vvdj99ab6/AABRTFpnrthNBoNEyeUFthdha?dl=0>

When you click on the link, you should have access to 8 files, including:

- Response to USEPA Comments;
- Revised draft FS Report text;
- Tables – compiled;
- Figures – compiled;
- Appendix A – Alternative Remediation Standards Technical Memorandum;
- Appendix B – Development and Use of Risk-Based Concentrations to Select an Area for Remedial Action;
- Appendix C – Residual Ecological Risk Evaluation of Alternatives; and
- Appendix D – Tables 2 through 5 of the Technical Memorandum on Candidate Technologies.

Please check the link and let me know if it does not work. We have other ways to provide access to the files but this way seems to work best for most people.

Let us know if you have any questions about the revised draft FS Report.
